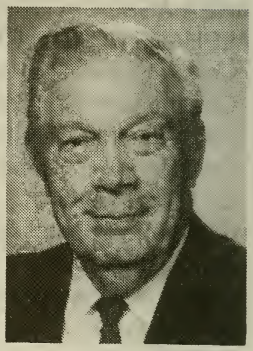
THE MODERATOR'S MESSAGE

"The Congregational Way. . . One Great Family in Christ"



We are in a unique position in our Association. We have just celebrated 40 years of our past, and now we challenge the future. As we move toward the 21st century, our National Association can look forward to growth and greater accomplishments.

In 1995, we experienced a glorious anniversary celebration of our last 40 years. Returning home, I could not help thinking that we were coming back from a family reunion. And what a wonderful family it is with 1199 family members in attendance. Truly a great celebration, but it should be noted here that a celebration has two sides-

-What have we accomplished? and
-Where do we go from here?

It goes without saying that the things that we have accomplished are legion. Our leadership is strong, our commitment has been outstanding, and our resolve has been unmatched.

Here in 1995 we are "One of the great families in Christ" that is "The Congregational Way". We have the opportunity to become one of the greatest families in Christ. The choice is ours--do we have the resolve to be greater? Do we have the commitment to the future that will attract others to our fellowship? The answer is in you, the Church. Not the edifice, but you individually and collectively who are the Church. Do you have the resolve to be great? Do you feel the commitment? Can we depend on you to be one of the great family members in Christ? Because with you anything is possible, but without you this is only dialogue. The future is in our hands.

The next "check up" will be in Minneapolis in June, 1996. The home of Garrison Keillor, the Vikings, and the Twins. It will be another exciting time. Come--join us in the land of 10,000 lakes, and remember the battle cry:

RECOGNIZE THE PAST and CHALLENGE THE FUTURE,

D. Keith Deacon

THE EXECUTIVE SECRETARY'S MESSAGE

I write this as our 40th Anniversary year comes to an end. We enjoyed a wonderful celebration at our Annual Meeting where we honored our founders. We took time to think back on the past while preparing to proceed enthusiastically into the future.

This can be an important year for your National Association-a time when we determine how to carry those values we treasure into the future in a way that attracts the support of others. We are evaluating the way our Committees, Commissions and Divisions operate. Our budgets will change as we assign costs to the functions we perform. We will examine each function to see how well it supports our Mission Statement.

This is a pivotal time of the history of the United States as those born before 1946 slip from majority status. Important because there is a significant difference in the "world view" between those born before 1946 and after 1946. How we accommodate this difference in the way we structure the National Association and our churches will determine, to a very significant degree, the impact we will have in the near future. Congregationalists often find it difficult to embrace change with enthusiasm. This may be because we believe past success indicates the way things need to be done in the future.

Values are timeless, and we want to preserve those values, but we must adopt operational methods that encompass both new technology and changing lifestyles. We may feel uncomfortable during this transitional period, but as inheritors of the Pilgrim message, these changes will be far less than those experienced by the Pilgrims when they began again in the "New World." If we work together, love one another and listen with patience we will not only succeed but present to the world an approach that others will copy.

Seventeen churches joined the NA at our Annual Meeting, and this year we expect to admit many more into our membership. We are entering a period of growth and change and need your continuing enthusiastic support. We will report many meaningful successes at our Annual Meeting in Minneapolis next year. Plan now to attend and bring a friend!

Mike Robertson

BUILDING AND LOAN FUND
(A Division)

The Building and Loan Fund was originally incorporated in April, 1959 (without stock and not for profit). In March, 1962, the incorporated Fund was dissolved and its assets were transferred to the Corporation for the Association, with the Building and Loan Fund becoming a Division of the Corporation.

Its purpose is to promote, encourage, assist, and - in any manner - aid the establishment, building, remodeling, maintenance, repair, location and/or relocation of Congregational Christian Churches which are members of - or affiliated with - the Association. It seeks and encourages contributions so that it may extend assistance to an increasing number of Churches. The chairman of this Division is appointed by the Executive Committee.

CONGREGATIONAL CHURCH DEVELOPMENT
(A Division)

A statement of purpose for the Congregational Church Development Division appears in the Bylaws of the Corporation for the National Association as follows:

"To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey, including response to the inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose."

The Division has the power to accept, accumulate, and expend funds designated for the above purposes, all funds being held in the name of the Corporation for the Association. In 1995, The Division has established a goal of starting 100 new Congregational Churches by 2020 A.D. It elects its own officers and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation. It also is involved in the promotion and administration of the Ten Dollar Plus Club.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES (A Division)

The Congregational Foundation for Theological Studies was established in 1961 as a response to the concern many people were expressing for where the churches were to find ministers whose commitment, training and preparation fitted them uniquely for service to these churches of the Congregational Way.

It represents an unusual approach to theological education designed to serve the special requirements of our diverse Congregational fellowship in which no single theological or social viewpoint can represent all of the churches.

CFTS is, as the name denotes, a Foundation which provides financial aid in the form of grants and scholarships and thereby places a fine theological education within the reach of all potential Congregational ministers. It also seeks to enrich each student's program academically by providing a directed study in Congregational History and Polity and by providing annual seminars on topics related to ministry in the Congregational churches. To provide experience in the practice of ministry, each student is required to serve an internship in an approved NACCC teaching church. By giving equal emphasis to the financial, the academic and the practical portions of the program, the Congregational Foundation for Theological Studies provides unusually fine preparation for ministry in Congregational churches of our Association.

To continue its mission and to assure the future of the Congregational ministry, the Foundation depends on the member churches of the Association to:

Provide regular financial support;

Identify talented and committed men and women, and to challenge them to give serious consideration to the Congregational ministry as a vocation;

Provide practical work experiences in Congregational churches for CFTS interns.

DIVISION FOR MINISTRY

The chief concern of this Division is for the Congregational ministry in its variety of forms. Through the office of the Staff Secretary for Pastoral Relations, support and aid are offered search committees as they seek ministers for churches of the Association, and consultation is offered to churches and ministers seeking to resolve problems and conflicts. The Office of Pastoral Relations also maintains current files of records and profiles for each Association member church, and credentials and professional dossiers for ministers. In addition, the Division for Ministry acts as the agent for the Congregational churches for the endorsement of military, Veterans Administration, hospital and prison chaplains.

The Division also administers several special funds:

The Ministerial Assistance/Enrichment Fund provides emergency financial assistance to ministers, both active and retired. Also, financial support is offered for a variety of continuing education opportunities. With resources of this fund, the Ministers' Convocation is planned and presented by the Division Board.

The Retired Ministers' Fund was established by the Rev. Dr. Max Strang, a long-time Congregational minister, and Mr. Fred Hoerner, a Congregational layman, to recognize the value of the service rendered by retired Congregational ministers and their spouses. This fund has been supported generously by the churches of the Association and now provides an annual stipend to all retired ministers who have served NACCC churches.

The Winthrop Administration Fund was established in 1987 by the Division Board to provide for the cost of administering the programs and services of the Division. At this time the Winthrop Fund endowment is inadequate to cover administrative costs. Donations to this very important fund are greatly appreciated.

MISSIONARY SOCIETY
(A Division)

The mandate for missions comes first from Scripture, which says "Therefore go and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit..." (Matthew 28:19-20). The tradition of Congregational churches' involvement in Christian missions began in the colonial period and is as long and faithful as any in American history. Your Missionary Society is working to build an even deeper commitment to this ministry of outreach in the churches of our Association.

The present Missionary Society was established in 1954, and in 1961 became a Division of the Corporation for the National Association of Congregational Christian Churches. The statement of purpose for the Missionary Society appears in the Bylaws of the Corporation, as follows:

> *"To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern: and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principle of the Congregational Christian Churches..."*

Volunteer board members serve this Division and its worldwide concerns. Funds received are disbursed through the Treasury of the National Association of Congregational Christian Churches. Gifts are faithfully administered according to the wishes of the donors. Working in cooperation with its Executive Staff person, the Missionary Society monitors all selected projects so that individuals and churches in our Association may have confidence that their contributions are used with integrity and for purposes which are in valid support of Christian missions.

The Missionary Society strives to select projects that are distinctively Christian and distinctively Congregational. Currently, missionaries in twelve countries are receiving our support. Aid is given to churches and other mission projects in the United States, some of which are cross-cultural in nature. Overall, this program of Christian missions is becoming more holistic, ministering to the needs of the whole person, including the spiritual, the physical, and the relational. All supported missions are under regular review and evaluation. The needs are genuine, and the projects are worthy of prayerful and generous support.

COMMISSIONS OF THE NATIONAL ASSOCIATION
Functions of the Commissions

Association Commissions are extended subcommittees of the Executive Committee. They are charged with responsibilities in specific areas of concern, such as Christian Education, Communications, Family Life in the Church, Spiritual Resources, Women, World Christian Relations, and Youth.

Executive Committee designates a liaison representative to each Commission. Commission members are nominated by the Executive Committee and from the floor of the Annual Meeting. They are elected by Association delegates gathered at the Annual Meeting. A full term is four years, with one-fourth of a Commission membership changing each year. Following consultation with each Commission, the Executive Committee appoints respective chairmen.

Commissions are granted considerable autonomy in carrying out their responsibilities. They report all actions promptly to the Executive Committee. Some of these recommendations require further action by the Association at its Annual Meeting. In that case, they are reviewed by the Executive Committee, and its recommendations, in turn, are submitted at the Annual Meeting.

Records of enabling resolutions, which originally brought certain Commissions into existence, are not available. It has been necessary, therefore, to draft a current statement of activities based on actual practice, thereby providing information to the membership of the Association.

Subject to availability of funds, Commissions may meet twice a year--during the fall or winter months and immediately before the Annual Meeting of the Association. Seminars and exhibits are planned by many of the Commissions in conjunction with the Annual Meeting.

COMMISSION ON CHRISTIAN EDUCATION

The Commission on Christian Education was organized in 1957 to assist churches with their Christian Education programs and to help implement the progress of the Congregational Way.

The Commission works to fulfill Christian Education needs at the local, regional, and national levels. Its services include, but are not limited to, the development and maintenance of heritage materials, guidance in curriculum selection, teacher training programs, and regional workshops. This work is accomplished with a continued awareness of changing priorities in religious education and with an emphasis on the Congregational Way of Faith, Freedom, and Fellowship.

COMMISSION ON YOUTH

It is the purpose of the Commission on Youth to offer youth program resources and support to assist member churches in providing opportunities for growth in the understanding of Christian life principles, for the development of a sense of responsible freedom, and for serving the cause of Christ through fellowship and service. The Commission does not seek to provide a total program for the local church youth. Rather, it seeks to support these groups and extend specific help when it is requested. In accordance with this aim, the Commission engages in the continuing development of resource material for use by the churches.

Further, the Commission seeks to provide opportunities for inter-group fellowship among young people through the National Association of Pilgrim Fellowship and the Heritage of Pilgrim Endeavor (see below). An Annual Assembly for NAPF and HOPE is held each summer in conjunction with the Annual Meeting of the Association. The Assembly is an opportunity for sharing, growing, and learning for the youth of our churches.

Opportunities for service, which might otherwise be unavailable, are afforded through the Work Camps and Pilgrimages sponsored by the Commission. These special programs are available to the high school and college age young people of all Association churches. Other projects, in this country and overseas, are sponsored as needs and opportunities arise.

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by churches. Voting privileges are accorded only to delegates from the churches. If other provisions prevail, a brief descriptive sentence follows that name of the organization.

An "X" appearing before the group name indicates that updated information has not been received and that indicated data has been reprinted from the Yearbook issued in the previous year. Groups which have not responded in two years to requests for information continue to be listed. However, to avoid publication of out-dated information, official information is omitted. Groups are listed alphabetically by state or geographical area.

ARTICLES OF ASSOCIATION

of the
National Association of Congregational Christian Churches
of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and,

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

This Preamble was written before the present concern for inclusive language. Because it is an historic document its wording has been left unchanged.

ARTICLE I. NAME

The name of this Association shall be the National Association of Congregational Christian Churches of the United States, hereinafter called the Association.

ARTICLE II. PURPOSE

The purposes of the Association shall be:

To provide a means by which Congregational Christian Churches of this nation may, without in any wise disturbing or altering their present associations and affiliations, consult and advise together as Churches upon matters of common concern to them, both temporal and spiritual;

To provide this closer fellowship and unity in all spiritual matters among Congregational Christian Churches;

To aid, in such ways as may from time to time be appropriate and proper, the continuance and growth of those Christian purposes and practices which have been the historic and accepted characteristics of Congregational Christian Churches.

In case of necessity to do and perform any and all functions ordinarily and customarily performed by Congregational Christian associations.

To promote, carry on and supervise such co-operative activities among member Churches as to them from time to time may seem wise and expedient.

Upon application therefore by member Churches, to provide for them such assistance, whether financial or through advice and consultation or otherwise, as may be proper and expedient.

ARTICLE III. MEMBERSHIP

1. **Member Churches.** Membership in the Association shall be by Churches, which membership shall not be considered inconsistent with membership in any other Congregational Christian Association or conference. In all matters submitted to the Association for consideration, each active member Church shall have one vote.

(a) For the purpose of this Article a Congregational Christian Church shall be defined as a body of Christians complete under God in spiritual authority and ecclesiastical power, regularly meeting and worshipping in one place, united by a mutually owned covenant, in fellowship with sister Congregational Christian Churches and recognized by the laws of the place of location as a duly constituted Church.

(b) A Congregational Christian Church may request membership in the Association by congregational action taken at any duly called and held meeting of such Church, which congregational action shall then be certified to the Secretary of the Association by the Church clerk or proper Church official. Upon verification, through the submission of its Constitution and Bylaws, that the Church applying is operating as a Congregational Church, and affirmative vote by the delegates in Annual Meeting, such Church shall become a member.

(c) There shall be two classes of member Churches: active a n d inactive.

(d) Membership may be withdrawn by any member church at any time by like action and certification, without impairment of any of its temporal or spiritual rights as a Congregational Christian Church.

(e) A Member church may be dropped from the rolls of the Association upon receipt of satisfactory evidence the church has disbanded. Such action shall be reported to the Association apart from the minutes of the Executive Committee at the Annual Meeting prior to the action being taken.

2. **Associate Member Churches**. Any Christian Church, in sympathy with the purposes and goals of this Association, and in accordance with the procedure of ARTICLE III. Section 1, above, may request an associate membership in the Association, without vote, but with representation on the floor at meetings.

3. **Affiliated Fellowship**. Fellowships of Churches in sympathy with the purposes and goals of this Association may request a mutually agreeable affiliation, without vote, but with voice, whether or not any or all of their individual member Churches are members of this Association. Such affiliation shall be in the spirit of fellowship and shall never be the basis for the exercise of ecclesiastical control by this Association or by the affiliate.

A quorum shall consist of the delegates present representing 20 percent of the Churches holding active membership in the Association, except as provided in ARTICLE IX hereafter.

ARTICLE VI. CORPORATION

There shall be a corporation for this Association, the purpose of which shall be to provide ways and means for the continuation, fostering, and advancement of the historic and accepted practices of Congregational Christian Churches, as these practices are stated and defined in the Articles of Association and Bylaws of this Association.

ARTICLE VII. BYLAWS

The Association may from time to time make, alter, amend or repeal Bylaws, consistent with, and to carry out but not augment, the purposes and functions set forth herein.

Bylaws may be adopted, altered, amended or repealed upon a two-thirds vote of the members present and voting, but no Bylaw may be altered, amended, or repealed on the same day the change is first proposed.

ARTICLE VIII. REFERENDUM COUNCIL

Since ecclesiastical power under God rests solely with the local Churches, the member Churches of this Association have, and shall retain among their other rights and powers, the right and power to review and modify any proposal or action by any agency or creature of the member Churches of the National Association when such proposal or action is deemed by the Churches to be in violation of the principles set forth in these Articles. The Churches also have, and shall retain among their other rights and powers, the right and power to initiate action which they deem wise and proper.

Such right and power to review, modify, or initiate may be exercised by means of a Referendum Council, which may be called by not less then ten percent of the member Churches.

The manner of calling and constituting a Referendum Council, the functioning of such a Referendum Council, and the method of voting on a question referred to the Churches by a Referendum Council, shall be governed by the relevant provisions of the Bylaws of this Association.

ARTICLE IX. AMENDMENT

At any duly called and held meeting of the Association, a quorum being present, these Articles of Association may be amended by a two-thirds vote of the member Churches represented at such meeting through their delegates. (1) notice of such proposed amendment or amendments having been given at a previous meeting, or (2) the proposed amendment or amendments having been requested by twenty or more member Churches. (h) The Executive Committee may take official action on any subject matter within its area of concern by a mail ballot and the motion or resolution so stated shall be submitted with adequate explanatory information to all members of the Executive Committee. The Secretary of the Association at the request of the Chairman of the Executive Committee shall mail out to each member of the Executive Committee a ballot stating the proposition or propositions as proposed, and each member of the Executive Committee shall promptly return the ballot with each proposition marked "Yes" or "No", dated and signed. An affirmative vote shall consist of a two-thirds vote "Yes" by the members of the full Executive Committee, and a vote shall be counted when all ballots have been returned or thirty days after the Secretary of the Association mailed said ballots, whichever is first.

(1) The Interim Committee shall meet upon call of its chairman or upon direction of the Executive Committee. For all such meetings the full Executive Committee shall at the same time be notified as to purpose, place and time of the meeting.

(2) The Interim Committee may initiate business and reccommend to and by the Executive Committee, but no action shall be considered as effective until approved by the full Executive Committee either by mail ballot or at a regularly called and held meeting of the Executive Committee.

(l) The Executive Committee, before acting as Directors of the Corporation for the National Association on the Appointment of members of the Divisions of the Corporation, shall present to the National Association, prior to the Annual Meeting, the names of those being considered for such appointment, and shall give opportunity to those present at the Annual Meeting to discuss such nominations and to make alternate suggestions for such appointments at an open session of the Executive Committee.

2. **Committee on Credentials.** A Committee on Credentials shall consist of three members, one of whom shall be elected at each regular meeting, to serve from the adjournment of the meeting at which they are elected for a period of three years. No member shall serve more than three years in succession. Members of the Nominating Committee shall be members ofmember Churches.

(b) The Committee's nominations shall be transmitted to the Association Secretary who shall transmit such list of nominees to all member Churches at least thirty days prior to such regular meeting. In addition to any nominations so made, in every case nominations for any elective office may be made from the floor of the meeting.

The Moderator shall in every instance call for such nominations from the floor. In cases where there is no contest the nominees may be elected by voice vote. If there is a contest, the vote shall be by written ballot the following day.

(c) Nominations for members of the Nominating Committee shall be complete on the day preceding the vote upon their election which shall be by written ballot, except that in case there are only the required number of nominees they may be elected by a voice vote on the day of nomination. A plurality shall be considered sufficient to elect.

(d) Any person accepting nomination and election to the Association Nominating Committee, shall, by that acceptance, be ineligible, while serving on the Committee, for nomination to any Association office for which the Committee makes nominations.

Any person serving on any other Committee, Commission or Division of the Association shall be ineligible for nomination and election to concurrent service on the Association Nominating Committee.

4. **Committee on Resolutions.** At each Annual Meeting, a Resolutions Committee consisting of three persons present from the member Churches shall be elected from the floor to serve until the close of that Annual Meeting. A plurality shall be considered sufficient to elect.

A. Resolutions Procedure.

1. The Resolutions Committee may initiate and propose resolutions only in reference to expressions of appreciation for hospitality and for appreciation of service to the National Association.

2. All other resolutions, except those matters which are properly considered as proposals for action made by the duly constituted boards, commissions, and committees of the National Association, shall be proposed as follows:

(a) Only a member church can offer a resolution, and must certify by the Clerk or Secretary of the Church that such resolution was duly approved congregational action of said Church.

(b) Such proposed resolution must be germane to the purposes of the National Association as expressed in Article II, Purpose, of the Articles of Association of the Association.

(c) A copy of such proposed resolution must have been sent to the office of the Executive Secretary at least sixty days prior to the convening date of the Annual Meeting.

(d) No less than forty-five days prior to the convening date of the Annual Meeting, the Executive Secretary shall mail to each member Church a copy of all resolutions proposed under 2(a) above, showing the name of the proponent member, in order that each member Church will have the opportunity to take congregational action on such proposed resolution so that its delegate may be informed as to what position the member Church wants to take on the same. Copies shall also be given to the elected Resolutions Committee.

(e) All resolutions so proposed shall be considered by the Resolutions Committee, and the Resolutions Committee shall report to the Annual Meeting its recommendations, favorable or unfavorable, on each proposed resolution. In the event that the Resolutions Committee reports unfavorably as to any proposed resolution, such resolution can then be brought before the Annual Meeting for action only by the delegate, or official alternate, of the member Church proposing such resolution.

(f) Any resolution that is adopted shall in no sense bind the member churches.

5. **A Commission.** A commission shall consist of a body of persons charged with the responsibility of carrying out one or more purposes and/or activities of this Association.

(a) A Commission shall be charged by the Annual Meeting creating it with a statement of its purposes, powers, time changed by the action of an Annual Meeting. All existing commissions shall continue to operate under their present charges or rules.

(b) A Commission shall have authority to conduct its own business within its charge from the Annual Meeting, or its existing rules, provided its actions are germane to the purposes of this Association as stated in Article II of the Articles of Association, and subject to Article IV, 2(c) of the Articles of Association.

(c) A Commission must work within the framework of the budget approved by the Annual Meeting, or as subsequently revised by the Executive Committee.

(d) A Commission shall consist of not less than five nor more than nine members, the number to be subject to determination by the Annual Meeting creating the Commission, or by any subsequent Annual Meeting. Not more than two members of a Commission may be members of nonmember Churches.

(e) The Commission members shall be nominated by the Executive Committee, and after opportunity for nominations from the floor, shall be elected by the Annual Meeting, consent to serve to be obtained from nominees in advance of nominations. In cases where there is no contest the elections may be by voice vote. If there is a contest the vote shall be by written ballot the following day.

(f) The Commission members shall have four-year terms, and terms shall be staggered so that approximately one-fourth of the terms expire each year. A member may serve a maximum of two (2) four-year terms but not consecutively. All terms shall begin at the close of the Annual Meeting.

(g) Any Commission can be abolished by a majority vote of an Annual Meeting.

V. STATISTICS

A list of member Churches in this Association shall be prepared annually by the Secretary and sent to the member Churches. This list shall, so far as possible, give correct addresses of the pastors and clerks of the Churches so listed, together with such other information as shall be deemed wise in the judgment of the Executive Committee.

VI. FINANCE

1. **Financial Stewardship Committee.** The Executive Committee shall appoint a Financial Stewardship Committee with direct responsibility to the Executive Committee and consisting of nine members, including the Treasurer of the Association who shall be a voting member **ex officio**. Of the eight remaining members, two members shall be appointed each year to serve a term of four years. No appointed member shall serve more than two (2) consecutive four-year terms or be nominated to serve on any other board, committee, commission or division of the Association while a member of the Financial Stewardship Committee.

The Financial Stewardship Committee shall have responsibility for fund raising, identification of financial needs and long range planning. In addition this committee shall be responsible for reviewing all financial matters and for making recommendations to the Executive Committee.

2. The expenses of the Association shall be met from voluntary contributions solicited from the Congregational Christian Churches in response to recommendations from the Executive Committee, and also from such receipts as may come to the Association in its meetings or through special gifts and legacies.

3. The fiscal year shall begin on April 1 and end on March 31, effective April 1, 1972.

VII. STANDING RULES

Standing rules for the Association may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the Association.

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to chose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. No more than four members of a Referendum council may be clergy. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The Secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

2. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. This record is merely a list of pastors and ministers of the member churches of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of inclusion in these lists. In every case a listed person except a retired minister shall be a member or an associate member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purpose of the National Association as stated in the Article II of the Articles of Association.

(a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.

(b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a large body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.

X. PARLIAMENTARY AUTHORITY

Unless otherwise provided, meetings shall be conducted in accordance with Robert's Rules of Order (Newly Revised Edition).
